

Help you can count on, even for the unexpected.

The Elite Inspection Warranty is a repair reimbursement program included with your home inspection — covering eligible repairs to major home systems and built-in appliances, with an easy online claims process.

WHAT'S COVERED*

- | | |
|--|--|
|  Central heating & cooling systems |  Water heaters |
|  Main interior water, drain & vent piping |  Interior electrical panel & wiring |
|  Foundation & structural elements |  Built-in kitchen appliances |
|  Roof leak repairs |  Mold removal |

NO PRE-APPROVALS

No repair pre-approvals are required. You get estimates to include as part of your claim.

YOU CHOOSE

You choose your own service pro or contractor to make repairs.

REPLACEMENT BENEFIT

If a mechanical system fails and can't be repaired, the program pays a **\$500 replacement benefit**.

HOW MUCH*

Eligible repair expenses in excess of \$150, from \$500 to \$2,250.

HOW LONG

Coverage runs **120 days from inspection**, or **90 days from closing** — whichever comes first.

Additional peace of mind for unexpected issues during the initial few weeks in your new home.
